(Hereinafter referred to as "the brand")

And

M/Me _____

(Hereinafter referred to as "the ambassador")

AGREE ON THE FOLLOWING:

- **Purpose of the agreement.** This agreement defines the conditions under which the ambassador provokes sales of the brand's paragliders through a nominative promotional code, and the brand remunerates the ambassador for these services. The ambassador must have a Way Gliders wing.
- **Description of services.** The ambassador promotes the brand by all the means he deems good. When he joins the program, the ambassador receives a nominative promotional code that he shares around him or on the internet. Each sale of a Way wing through the use of the promotional code results in compensation from the ambassador.
- **Economic conditions.** The brand, through Rid'Air, provides the ambassador with a personal promotional code. The latter reduces the price of Way wings by 5% on the website www.ridair.com for any buyer to whom the ambassador wishes to benefit from his code (including himself). With each use of this nominative code, the ambassador receives a voucher of 5% of the amount of the wing paid by the customer. Rid'Air will notify the ambassador to each transaction made through the use of his personal code. Membership in the ambassador program can be combined with the influencer and/or content creator program.
- **Terms of payment.** The ambassador will receive the remuneration in the form of a voucher on the website www.ridair.com, within a maximum of 1 month from the date of sale of the sail.
- **Cessation of activity.** This agreement takes effect on the day of signature of the contract by the ambassador, and extends tacit renewal every year without a time limit. Either party may terminate this Agreement at any time by giving written notice by email to the other party.
- **Confidentiality.** The ambassador undertakes not to disclose to third parties the confidential information of the brand, which includes, without limitation, all commercial, technical, financial and customer information relating to the brand.
- **Intellectual property rights.** All content possibly created by the ambassador as part of the provision of services to the brand is the sole property of the ambassador. However, the brand may share and use this content for communication purposes.
- **Applicable law and competent jurisdiction.** Any dispute arising out of or relating to this agreement will be resolved by arbitration in accordance with the rules of French law.
